FIXTURE

Manufactured by
ALLIED METAL INDUSTRIES
Inglewood, California

One Light Semi-Indirect Bracket

One Light Semi-Indirect Ceiling Fixture

One Light Beam

Three Light Semi-Indirect Ceiling Fixture

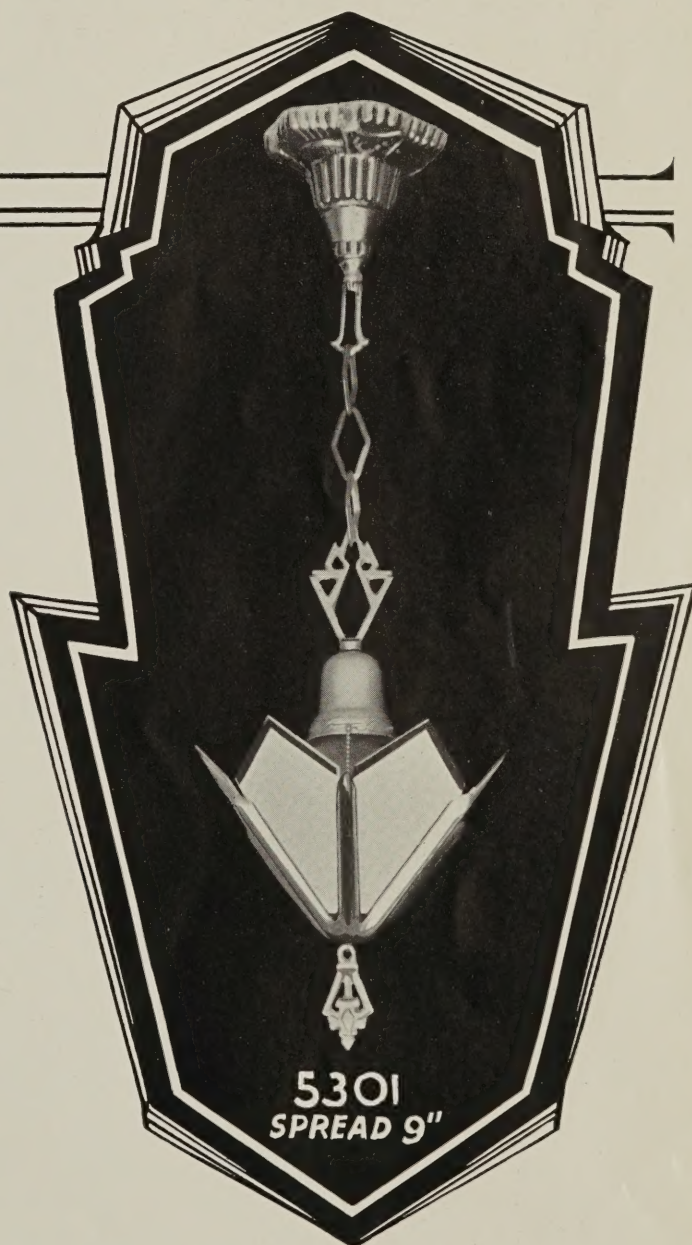

5300 SERIES

This series, in a hand polished and buffed aluminum assembly, suggests a highly polished chromium finish.

The beveled flash opal glass panels act as a semi-indirect diffusing medium.

THE AVIGNON

This group is justly named after this fine old town, the birthplace of many of our finer "modern art thoughts."

One Light Semi-Indirect Hall Fixture
